WORK EXPERIENCE

UX/UI Designer (Remote)

October 2021 - present

burux - Tehran , Iran

burux is a manufacturer of lamps and lighting industries.

In this company, I have designed the following items from scratch.

1. Visitor Management System
2. Direct purchase system of electrical stores and distribution of popular orders (electric app)
3. Employee management system (access to systems, communication of people within the company in different ways, ...)
4. Warehouse management system

I had constant contact with team members and stakeholders to carry out activities

UX/UI Designer

January 2021 - September 2021

Goaleran - Esfahan, Iran

I started working at goalern Company as an intern in the field of interface design and user experience, and I gained experience, savings and very good examples of work for myself.
